Welcome to Sala
A Forgotten
Hoysala Village

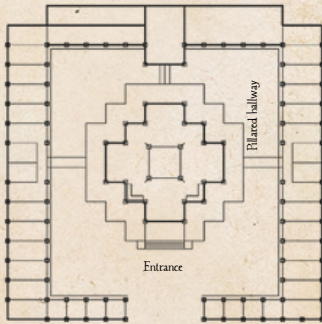

Experience the prime of Hoysala Dynasty at Sala, a forgotten village that preserves the essence of a bygone era.

As you step into this serene and lush green village, you'll feel a sense of cultural pride that welcomes you. The resort, with its carefully designed architecture and landscaped gardens, is the perfect getaway for anyone who wants to experience the grandeur of the Hoysala Dynasty.

Sala Palace

The Sala Palace, with its intricate architecture and design, is the jewel in the crown of the Sala village. Inspired by the empires' passion for architecture, the palace features detailed carvings.

Sculptures that showcase the grandeur of the Hoysala dynasty. The Sala palace stands to represent the only surviving palace of Hoysala
